**RE:** MUR 6924

Dear Ms. Hampton:

This letter responds to the email submitted to your office on June 9, 2015 by Benjamin Cayetano.

Other than suggesting that the FEC interview Robert Toyofuku and others, Mr. Cayetano's June 9, 2015 email contains no factual information indicating there was any improper coordination between the Democratic Party of Hawaii ("Party"), the Hirono campaign and Pacific Resource Partnership's involvement in the Honolulu mayoral campaign. As such and in light of the information we previously provided in the letter dated May 3, 2015, we ask that Mr. Cayetano's complaint be closed without further action on the part of the FEC.

Thank you for your attention to this matter.

Very truly yours,

Stephanie Ohigashi

Chairperson of the Democratic Party of Hawaii
